Elson is an authorised Novopress Tool service agent

Elson Australasia is an authorised Novopress tool service and repair agent. Service and repair are performed using original Novopress tool, jaw and sling spare parts. Servicing staff are highly trained by Novopress and have a very well equipped workshop to ensure service works are carried out in accordance with Novopress requirements with minimal down time of your tools. We service all Novopress Tools, Slings and Jaws. We can arrange pick up and return from an Elson distributor or your office with quoting provided on receipt of product and a quick turnaround on approval of works required.

Novopress Tools are required to be serviced every 24 month or programmed service cycles whichever occurs first. Regular Servicing will ensure the tools are fit for purpose and compliant for use on elson PRESS, elson EPS PEX, elson BUSHPEX Crimp-on PEX, Crimp GAS and Pull-on PEX systems.

Servicing your Novopress tool, Slings & jaws within 24 month of purchase will extend warranty by 12 months.
